

Ethics Training

OVERALL OBJECTIVE

The **Ethics Training Workshop** aims to equip participants with the understanding and knowledge to navigate through the ethical landscape at work and make decisions and take actions that fall within the required ethical parameters.

OUTCOMES

The participants will be able to:

- Create an ethics plan
- Define an ethical stance
- Establish ethical parameters
- Motivate the ethics of decisions
- Identify individual accountability
- Understand the roles played in ethics
- Navigate the boundary of sound ethics
- Translate ethics into desirable behaviors
